

ST GEORGE CLASSIC

21st MAY 2022

Wet and slippery conditions made it a real cross-country day at Scarborough Park, Ramsgate. Grey skies and rain showers added wintry difficulties to the afternoon.

This was certainly not an afternoon to be looking at your watch for a time. Far from it as taking your eyes off the course meant a probable slip and fall at every turn and sometimes even on the limited straights. Not a day for trying to avoid puddles either as the safest option was to plough straight through.
